WORKING TOGETHER
CONNECTING COMMUNITIES

Established to develop the cultural and social ties between
the Muslim & Jewish Communities of Greater Manchester.

A Brief Introduction

Islam and Judaism are closer to each other than any other two religions. However many Muslims and Jews grow up in Britain knowing little about each other's community. In 2004 a group of us decided that, even if we couldn't change the world, we could do something to bring the two communities together locally, and set up the Muslim Jewish Forum of Greater Manchester.

Our mission is: *"To educate members of the Muslim and Jewish Communities in relation to their shared values and common Abrahamic tradition, heritage, history and culture; and to promote better understanding within the wider community of our common interests and values."*

There are two main reasons for doing this:

1. Muslims and Jews have many common interests which are better pursued if we act together.
2. Learning more about each other and making new friendships enriches us as individuals as well as making our city a better place to live and building a more harmonious and cohesive society.

Some of the things we have done:

We engage in practical activities to increase mutual understanding which participants enjoy. These are often educational, but whatever we do needs to be enjoyable, as otherwise people won't come! Some examples are:

- ▶ Visiting mosques and synagogues both in Greater Manchester and elsewhere in the UK
- ▶ Holding celebrations for religious festivals like Eid and Chanukah.
- ▶ Group visits to Krakow, Auschwitz, Granada and Cordoba, Marrakech, Dubrovnik, Paris and Brussels where we have visited sites of Muslim and Jewish interest
- ▶ Business networking events
- ▶ Informal dinners, which allow time for unstructured conversation.
- ▶ Talks on matters such as our respective approaches to finance, marriage and divorce, funeral arrangements etc.
- ▶ Concerts celebrating music from both our faith traditions
- ▶ Faith dialogues in partnership with Faith Network 4 Manchester
- ▶ Faith awareness sessions in schools and youth groups
- ▶ Bringing women together to celebrate International Women's Day exploring their identity
- ▶ Annual lawyers panel events
- ▶ Annual picnics

After almost all events we issue a press release to influence others, and post a write-up on our website www.muslimjewish.org.uk which has a small but growing worldwide readership.
